

ALL AROUND THE TOWNSHIP

Marion Township Board Of Supervisors

Greetings Dear Resident,

We are pleased to provide this newsletter. It is designed to keep you informed of activities, projects, changes, community events and services which are available within the township.

We look forward to serving you.

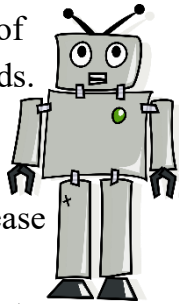

Sincerely,

Marion Township Board of Supervisors

Peter McCarthy, Irene Sileski, & Jesse Hafer

HydraTerra Professionals

Terra-Tracker is now up and running! Using the Terra-Tracker application, field technicians can submit and instantly upload on-site forms for management of sewer inspection & maintenance records. This automated system will allow for septic tank pumpers to complete & submit paperwork instantaneously. Please verify your pumper is registered with Terra-Tracker or call our office for a list of those already registered!

Leash Ordinance

Please remember the Leash Ordinance! All pets must be kept on a leash and reasonably in control. Also, all pet owners must have control over their animals' waste. All waste must be properly disposed of.

Questions?

For further information on any of the highlighted information in this letter, please visit the township website at <https://www.mariontpwberks.com/>. Feel free to forward any questions to the Contact Us Button.

On-Lot Disposal Systems

Scot McCaffrey with Systems Design Engineering Inc. has been appointed as the township's primary Sewage Enforcement Officer.

HydraTerra Professionals are the manager of our Sewer Management Program.

We appreciate your patience as we transit to our new SEOs,.

CivicReady—

Marion Township is inviting all of its residents to participate in our new emergency alerting system. The system is intended to be used for emergency alerts, as well as non-emergency incidents.

Emergency Alerts could be related to specific hazards that require some kind of action be taken such as evacuation or shelter in place,

Non-emergency alerts could include significant transportation problems with prolonged impacts or significant ongoing police or fire activity. In addition to receiving information on your wireless device, you may also receive notification on your land telephone line (if you have one) depending on the type of incident or event.

Trash/Recycling Collection

J.P. Mascaro will be the new trash hauler as of April 2nd pick up.

Spring Fever!

As the nice weather comes around the corner, please remember it is illegal to blow grass clippings into the street! Let's help keep everyone safe during the beautiful weather!
